5.1 The Customer hereby warrants and represents to IFX, that:

- (i) it holds all licences, consents, permits and authorities necessary to carry on the services it provides to the End Client (the **Consents**);
- (ii) each of the Consents is valid and subsisting and there is no reason why any of the Consents may be revoked, suspended or cancelled (in whole or in part);

5.3 The Customer shall immediately notify IFX if it becomes aware of a fact or circumstance which constitutes (or which is reasonably expected to constitute) a breach of Warranty, or which would cause (or is reasonably expected to cause) a Warranty to be untrue, inaccurate or misleading.

6. INDEMNITY

Without prejudice to any other right or remedy available to IFX in the Agreement or at law, the Customer undertakes to indemnify IFX against all liabilities, costs, expenses, damages and losses (including but not limited to any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and expenses) which IFX sustains or incurs (including any cost incurred in enforcing this indemnity) in connection with (i) the Customer's provision of Onward Services, and/or (ii) any breach of this Addendum by the Customer, and/or (iii) any act or omission by the Customer, the Customer's personnel or the Customer's End Clients in connection with the Customer's use or receipt of the Services.

PART 2

In addition to Part 1 of this Addendum, Part 2 of this Addendum applies if and for so long as the Customer is a Regulated Provider and is subject to oversight by the Regulator. The applicability of Part 2 of this Addendum to the Customer shall be determined by IFX in its sole discretion.

7. ADDITIONAL OBLIGATIONS AND RESTRICTIONS

7.5 The Customer understands and agrees that ibanq, and certain other of the Services, are not suitable for use by retail clients. The Customer warrants and represents that it has not, and will not at any time, grant any End Client access to the Services. In the event any End Client is in direct receipt of Services (or if the Customer attempts to grant such access to its End Clients), IFX is permitted to immediately terminate this Agreement and cease providing the Services to the Customer without notice. For the avoidance of doubt, nothing in this clause shall prohibit the Customer from servicing such End Clients via ibanq's sub-account infrastructure.

7.6 A Regulated Provider is mandated to safeguard customer's funds, as captured by the Safeguarding Laws. A Regulated Provider is required to safeguard customer funds via two permitted methods (i) the segregation method, and/or (ii) the insurance or guarantee method. Please note, IFX does not safeguard on behalf of a Regulated Provider, in respect of its customers' funds, and is not required to monitor a Regulated Provider's compliance with its Safeguarding Laws.

8.6 **Governing Law and Jurisdiction.** This Addendum and all disputes or claims (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of England and Wales.
