4.4 The terms and conditions set out in this Agreement will apply to all new customers and upon notification to all existing customers and will supersede any previous versions.

5. OUR SERVICES

5.1 We provide foreign exchange, e-money and payment services to businesses through use of our online wallets (**"Services"**). We only buy and sell currency for trade, commercial or other non-speculative purposes. You must not use our services for speculative or trading purposes. We do not offer or provide advice or investment services of any nature.

5.2 Our Services allow you to (i) load funds onto an e-money account, which we shall provide to you and which is to be operated and used in accordance with these Terms, we call this a **"Wallet"**; (ii) make payments using such funds; and (iii) enter into Orders (as further described in clause 7).

5.3 Services rendered to Customers located outside of the United Kingdom are conducted on a cross-border basis. The Customer agrees that the characteristic performance of our Services is conducted in the United Kingdom. By agreeing to receive the Services, the Customer acknowledges and agrees that (i) they have not been targeted by IFX; and (ii) there has been no material prior marketing to the Customer, in any jurisdiction where IFX is not locally licenced to do so; and (iii) the Customer approached IFX for its Services on their own initiative.

6. ELIGIBILITY AND APPLYING TO USE OUR SERVICES

6.1 By using our Services, you agree to enter into a legally binding agreement and represent that you are 18 years old or above and fully authorised by the Customer to enter the Customer into this legally binding agreement. Acceptance of the Terms constitutes an offer by the Customer to purchase the Services in accordance with the Agreement.

6.2 You must only operate your Wallet in your own name and not on behalf of any other person that you have not disclosed to us.

6.3 You can apply to use our Services by completing the application form on our website. We can also provide you with an application form on request, which you can send back to us by email.

6.4 Once we have received your completed application form, we will undertake various checks to ensure you are eligible for our Services, and to comply with our legal obligations. We may have to ask you for additional information or documents.

6.5 You must provide us with true, complete and accurate information. You must also update us of any changes to such information promptly. We will rely on the information you provide to us.

6.6 We will let you know once we have accepted your application and opened a Wallet for you. We may refuse to accept your application without giving you any explanation.

6.7 Business clients (a corporate or unincorporated body, whether or not having separate legal personality) must specify an authorised person or persons to operate their Wallet. We call such person(s) **"Users"**, and we call the permissions of those Users to operate your Wallet **"User Permissions"**. You will be responsible for the acts (or omissions) of any other person you authorise to act on your behalf as if they were your own. We will not be responsible for any act (or failure to act) of anyone you authorise to operate your Wallet if we did not know or reasonably suspect that they were acting dishonestly. You must ensure all Users comply with the obligations and requirements in our Agreement.

6.8 You may request changes to Users and User Permissions by submitting a written request to us via email, and we may, in our sole discretion, act on such instructions. In doing so, we:

6.8.1 reserve the right to verify the identity and authority of the Customer before implementing any requested changes to the Users or User Permissions; and

6.8.2 may, at our sole discretion, request additional evidence, documentation or justification from the Customer to support or validate any requested changes to the Users or User Permissions.

6.9 You warrant and represent that you will not add any Users to the Wallet who are not (i) officers, employees, contractors or sub-contractors associated with the Customer's business; or (ii) otherwise authorised by the Customer.

6.10 You hereby warrant and represent to us that you are not a consumer, micro-enterprise nor a charity and agree to indemnify us for any losses, liabilities, claims, costs and or expenses directly or indirectly incurred by us as a result of it being established that you are (or have been, during the term of our Agreement) a consumer, micro-enterprise or a charity. This clause 6.10 shall survive termination of the Terms.

6.11 You must keep your email account(s) and other online accounts secure as we will act on instructions we reasonably believe to be from you. You must use up-to-date anti-virus software and ensure any information you send to us is free from viruses. You must not introduce viruses to our Platforms or other systems.

7. VALUE DATES AND FOREIGN EXCHANGE ORDERS

7.1 When you wish to effect a currency exchange, we call this an **"Order"**. We will agree the date on which you wish us to transfer the relevant funds and process the Order. We call this the **"Value Date"**. You can place an Order with us via telephone, and from time to time we may permit you to submit Orders via e-mail or any other electronic means. We have no obligation to accept Orders and we shall only do so in our sole discretion in each case.

7.2 When you place an Order, it will be:

7.2.1 a **"Spot Contract"** when the Value Date is two Working Days or less; or

7.2.2 a **"Forward Contract"** when the Value Date is two Working Days or more.

IFX Trading Terms and Conditions (Corporate)

7.3 You can also specify a **"Market Order"**, which is an instruction to execute your Order when a desired exchange rate is achieved.

7.4 If you place an Order for a Forward Contract, we may require you to pay a deposit (**"Margin"**) to us in cleared funds as a condition of us accepting your Order. We may also require you to pay the Margin or increase the Margin after the Order (a **"Margin Call"**), at any time during the term of the Forward Contract.

7.5 From time to time, we may offer you a 0% Margin on Forward Contracts, which shall constitute a line of credit. We reserve the right to cancel or rescind this line of credit at any time and at our sole discretion. In the event we make a Margin Call on a Forward Contract with a 0% Margin, this line of credit is immediately rescinded and the entire Margin and Margin Call shall become due and payable in accordance with clause 7.6 below. Any credit offered to you under the IFX Forward Contract Terms (Corporate) is at all times subject to your compliance with your obligations under these Terms.

7.6 You shall pay such Margin or Margin Call in cleared funds to our bank account within 24 hours of us requesting the Margin or Margin Call. If you do not meet our Margin or Margin Call requirements, we may, in our sole discretion, terminate the Order without notice to you.

7.7 You also agree to reimburse us the actual costs we reasonably incur as a result of you failing to pay the Margin or Margin Call and us terminating your Order.

7.8 Any Margin or Margin Call paid by you shall be for the purpose of securing or covering all your present or future, actual or contingent, or prospective, obligations to us under our Agreement. We will acquire full ownership of Margins and Margin Calls and shall hold them for the purposes of the Order and deal with them as our own.

7.9 Margin or Margin Call held by us is not e-money and is not safeguarded as client money. In the event of our insolvency, you will rank as a general creditor of ours in relation to such Margin or Margin Call paid to us.

7.10 The outstanding settlement of an Order must be paid on or before the Value Date. It is your responsibility that the settlement funds are paid in cleared funds within this time. If you fail to settle an Order within this time, the Order may be cancelled without notice and you agree to reimburse us for any costs we incur in connection with such cancellation. In the event that you fail to satisfy your obligations under this clause 7, and/or we cancel the Order, you will not be entitled to any benefit arising out of or in connection with the Order.

7.11 Our exchange rates are based on foreign exchange markets which can change at any time. As such, exchange rates may vary immediately without notice. We do not have any obligation to notify you of any such changes.

8. PAYMENT INSTRUCTIONS

8.1 When you instruct us to make a payment we call this a **"Payment Instruction"**.

8.2 You can provide Payment Instructions by telephone, email or through one of our Platforms.

8.3 When placing a Payment Instruction, we will use reasonable efforts to verify your identity based on the information we hold about you. When you telephone or email us, we will need to identify you as an authorised User of the Wallet. We may ask you various questions or perform various checks to confirm your identity. We will accept Payment Instructions from any person we reasonably believe to be authorised to give such instructions, or who has the User Permissions to do so.

8.4 You will need to provide us with the relevant account numbers and other information in connection with the beneficiary you wish to transfer funds to. You are responsible for providing us with the correct beneficiary details. We will rely on the beneficiary details you provide. We will not be responsible for any errors that you make in any Payment Instruction, and you agree to reimburse us for costs we reasonably incur as a result of any errors.

8.5 We will have to satisfy our internal identity checks before sending money to a new or different beneficiary. We will take reasonable steps to ensure the intended beneficiary has been authorised by you and approved by us.

8.6 If you fail to provide, within ten (10) Working Days of a request to do so, any documents or other information we require from you to satisfy our checks, we may elect (in our sole discretion) to cancel the relevant Payment Instruction without further notice to you. We shall have no liability to you whatsoever in the event we cancel a Payment Instruction in accordance with this clause.

9. ERRORS, VARIATIONS AND CANCELLATIONS

9.1 Once you have placed an Order or Payment Instruction, you cannot cancel or vary it without IFX's express agreement. You must contact us immediately if you wish to cancel or vary an Order or Payment Instruction. We will try to withdraw or change your Order or Payment Instruction where this is reasonably practicable, but we cannot guarantee this. If we consent to such variation or cancellation, there may be a cost due to changes in exchange rates and we may charge you an additional fee. This fee will correspond to the costs we incur in taking the necessary corrective action. We will let you know what this fee will be in advance where this is possible.

9.2 We may, in our sole discretion, refuse to accept an Order or Payment Instruction for any reason.

9.3 We may, in our sole discretion, stop an Order or Payment Instruction, or take any other action we reasonably deem necessary to protect you or us, including where:

9.3.1 we suspect there is unauthorised, prohibited or irregular activity on or connected with your Wallet;

9.3.2 we believe there may be a manifest error with all or part of an Order or Payment Instruction;

9.3.3 you fail to provide us with the settlement funds in time to process your Order or Payment Instruction;

9.3.4 you fail to satisfy our compliance requests, including providing necessary documents, evidence or justifications as we may require;

9.3.5 we suspect that the Order or Payment Instruction may involve illegal activity or violate applicable laws or regulations; or

9.3.6 we are required to do so by law, a law enforcement agency or regulatory authority

9.4 We will attempt to notify you by phone, email or through our Platforms before taking such action and provide you with our reasons for doing so. There may be occasions where we cannot notify you or give you reasons for us taking such action. This might be because it would be a breach of our legal obligations, or if we thought it would compromise reasonable security measures.

10. SETTLEMENTS, FEES, CHARGES AND YOUR MONEY

10.1 Fees and charges, as applicable from time to time, will be agreed between you and IFX.

10.2 In our discretion, you can transfer settlement funds to us using bank transfers, credit or debit cards. The methods we offer for transferring settlement funds to us are not part of our Services, they are provided by third parties and may change or be withdrawn at any time.

10.3 You must pay any amount due to us in unencumbered and cleared funds. Time for payment shall be of the essence.

10.4 Please inform us if a third party will be sending money to us on your behalf. Any funds we receive will be credited to your Wallet as soon as reasonably practicable, after we have satisfied ourselves as to the sender's identity and complied with our legal obligations. We are not responsible for any delays in crediting your Wallet due to the late arrival of (i) funds; or (ii) payment instructions from a remitting bank (or any of its intermediary banks in the payment chain).

10.5 As an Electronic Money Institution (**"EMI"**), we are required to ensure that 'relevant funds' are appropriately 'safeguarded' in accordance with the provisions of the Electronic Money Regulations 2011 and Payment Services Regulations 2017 (**"PSRs"**) (together **"Regulations"**). There are different ways in which this can be achieved. Currently, we use the 'segregation method' which means that relevant funds received by us corresponding to e-money are separated from our own funds and are deposited into accounts known as 'safeguarding accounts' at authorised credit institutions or banks in accordance with the Regulations. It is important to note that as an EMI we're not covered by the Financial Services Compensation Scheme. Further details can be found at www.ifxpayments.com/safeguarding/.

10.6 All settlement funds (including fees due to us) are considered relevant funds for the purposes of the Regulations until they become payable. The fees due to us become payable either (i) once the Payment Instruction has been debited; or (ii) if there is no Payment Instruction, once the purchased currency in an Order is issued to you.

10.7 You shall not be entitled to any interest on any funds held by us.

10.8 All amounts due by you to us under the Terms shall be paid in full without any set-off, counterclaim, deduction or withholding.

10.9 If you fail to make a payment due to us under the Terms by the due date, then, without limiting our remedies under this clause 10 and clause 16, you shall pay interest on the overdue sum from the due date until payment of the overdue sum, whether before or after judgment. Interest under this clause 10.9 will accrue each day at 4% a year above the Bank of England's base rate from time to time, but at 4% a year for any period when that base rate is below 0%.

10.10 We may deduct from any balance in your Wallet such amounts that you owe to us under the Terms or pursuant to applicable laws or the Regulations. We may convert any liabilities you owe to us in a different currency at an exchange rate which we determine to be reasonable. Any exercise of this right of set-off is without prejudice to any other rights and remedies which we may have.

10.11 Certain payment instruments that you may use to transfer settlement funds to us offer you the ability to dispute a transaction with your card issuer, for example. These are known as chargebacks.

10.12 You agree that you will only exercise your right to chargeback if there has been an unauthorised or fraudulent transaction on your Wallet. You agree not to exercise your right to chargeback for any other reason.

10.13 If we need to investigate a chargeback that you have raised with your card issuer, we may charge you our reasonable costs and expenses for doing so and may deduct any such amount from your Wallet.

10.14 Transfers between Wallets, or "Wallet to Wallet" transfers, typically attract lower fees than other transfer types. To obtain detailed information regarding these fees, you should consult with your designated account executive.

IFX Trading Terms and Conditions (Corporate)

11. EXECUTION TIMES AND DELIVERY

11.1 Subject to clause 11.2, if you place a Payment Instruction for same day processing, we must receive your cleared settlement funds before 14.00 on a Working Day and will use reasonable endeavours to process your Payment Instruction on that day. If we receive your settlement funds after 14.00 or on a day which is not a Working Day, we will process your Payment Instruction on the next Working Day.

11.2 We will use reasonable endeavours to credit the funds to the beneficiary's account:

11.2.1 by the end of the next Working Day, if your Payment Instruction is in euro or sterling;

11.2.2 by the end of the fourth Working Day, if your Payment Instruction involves a currency other than euro or sterling but is executed wholly within the European Economic Area; and

11.2.3 as soon as possible in any other case.

11.3 IFX shall have no liability to the Customer for any delay in onward payment attributable to the late arrival of funds or Payment Instructions to the beneficiary bank (or any intermediary banks in the payment chain), for any reason whatsoever. For the avoidance of doubt, this shall include (without limitation) where the beneficiary bank (or any intermediary banks in the payment chain) raises compliance queries to satisfy its obligations under applicable laws and such queries result in a delay in the arrival of funds or Payment Instructions.

12. SECURITY, PASSCODES AND PLATFORMS

12.1 When you use one of our Platforms, we will issue you with personalised security codes (such as usernames and passwords) ("Passcodes"). You must use these Passcodes to access the Platforms. If the Passcodes are correct, we will assume it is you that has given any Orders or Payment Instructions or made any other communications.

12.2 You must keep your Passcodes secret and make sure they are not stored or shared in a way that enables others to impersonate you. You must not allow others to use your Passcodes. You must not write down your Passcodes. If you disclose the Passcodes to any person, you are and will continue to be responsible for any use or misuse of your Wallet.

12.3 If you suspect an incorrect instruction or unauthorised activity on your Wallet, or that someone may have access to your Passcodes, you must notify us without delay by email to customernotices@ifxpayments.com.

12.4 If you have intentionally or negligently failed to use the Passcodes in accordance with the Terms (specifically clause 12.2), you will be responsible for any unauthorised transactions on your Wallet, even if they were not given by you, until you notify us in accordance with clause 12.3.

12.5 We cannot guarantee that our Platforms will be available at all times. There may be occasions where we need to suspend access to our Platforms for technical reasons, emergencies or regulatory reasons, or for periods of maintenance or updates. We will not be responsible if our Platforms are unavailable to you for any reason.

12.6 We will use reasonable endeavours to ensure that the information provided on our Platforms is accurate and up-to-date. In the event that you identify any mistakes, errors, or inaccuracies, you must promptly notify us in writing, providing all relevant details and supporting evidence. You understand and agree that failure to promptly notify us of any identified mistakes, errors, or inaccuracies may impact our ability to address and rectify the situation effectively.

12.7 With respect to the Platforms, IFX will provide 2-factor authentication in accordance with the Strong Customer Authentication requirements for the authentication of Payment Instructions. For the purposes of this clause, "Strong Customer Authentication" means the requirement described under the second Payment Services Directive (PSD2) and applies to all types of payment service providers, including IFX. This requirement is defined by the PSRs and means authentication based on the use of two or more elements that are independent, in that the breach of one element does not compromise the reliability of any other element, and designed in such a way as to protect the confidentiality of the authentication data, with the elements falling into two or more of the following categories (i) something known only by the payment service user ("knowledge"); (ii) something held only by the payment service user ("possession"); and (iii) something inherent to the payment service user ("inherence").

13. UNAUTHORISED AND INCORRECT TRANSACTIONS

13.1 We will not be responsible to you:

13.1.1 if we make a payment incorrectly, unless you notify us of the incorrect payment without undue delay, and in any event within 5 Working Days after the debit date; or

13.1.2 for any unauthorised transactions on your Wallet, unless you notify us of the unauthorised payments without undue delay, and in any event within 5 Working Days after the debit date.

14. CORPORATE OPT-OUT

14.1 You agree with IFX that pursuant to regulations 40(7) and 63(5) of the PSRs:

14.1.1 the information requirements set out in the provisions of Part 6 of PSRs do not apply and we will provide you with only such information as required under the Agreement between us.

14.1.2 the obligations set out in regulations 66(1), 67(3), 67(4), 75, 77, 79, 80, 83, 91, 92 and 94 of Part 7 of the PSRs do not apply and our obligations to you related to any Payment Instructions under the payment service will be only the obligations set out in the Agreement between us.

14.1.3 the maximum time period for reporting unauthorised or incorrectly executed Payment Instructions set out in regulation 74(1) of the PSRs is varied by clause 13.1.1 to the maximum notification set out in that clause.

15. OUR LIABILITY

15.1 All warranties, conditions and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded from the Terms.

15.2 References to liability in this clause 15 include every kind of liability arising under or in connection with the Terms (and/or the performance or contemplated performance of the Services), including liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise.

15.3 If we fail to comply with our obligations under the Terms, then, subject to the below, we will be responsible to you for the loss or damage you suffer that is a foreseeable result of us breaching the Terms. However, we will not be responsible for loss or damage that is not foreseeable, whether such loss or damage arises as a result of us breaching the Terms or otherwise. Loss or damage is foreseeable if either it is obvious that it will happen or, if at the time we entered into the Terms, both you and we knew that it might happen.

15.4 We will not be responsible to you for any:

15.4.1 loss of revenue, profits, interest, reputation, anticipated savings;

15.4.2 loss of agreements or contracts;

15.4.3 loss of use or corruption or restitution of software, data or information;

15.4.4 loss of or damage to goodwill; and

15.4.5 indirect, special or consequential damage or loss,

whether or not we have been informed of the possibility of any such liability, loss or damage.

15.5 We will not be responsible to you for any losses you suffer or costs that you incur because:

15.5.1 we relied on any information you provided to us;

15.5.2 we acted in accordance with our Agreement and/or the Terms;

15.5.3 you breached the Terms or failed to perform the obligations we reasonably expected you would perform in accordance with the Terms;

15.5.4 we breached the Terms or failed to perform our obligations you expected we would perform in accordance with the Terms, in order for us to comply with our obligations under applicable laws;

15.5.5 you failed to realise the anticipated savings or benefits of a transaction; or

15.5.6 we failed to fulfil our obligations under the Terms as a result of: (i) the actions or omissions of any third party that are outside our control; (ii) any planned or essential maintenance to our systems; (iii) any changes in applicable laws or regulations that we have to comply with; or (iv) any abnormal and unforeseeable circumstances beyond our control, the consequences of which would have been unavoidable despite all efforts to the contrary.

15.6 Subject to clause 15.7 (liabilities which cannot legally be limited), our total liability to you under the Terms shall not exceed the total net revenue accrued and received by us from you in the preceding 12-month period (from when the damage or liability first arose), but, in any event, shall always be subject to the liability requirements provided for in the Regulations.

15.7 Nothing in the Terms limits liability for:

15.7.1 death or personal injury caused by negligence;

15.7.2 fraud or fraudulent misrepresentation made by us or on our behalf on which you have relied;

15.7.3 breach of the terms implied by section 2 of the Supply of Goods and Services Act 1982 (title and quiet possession); or

15.7.4 any other liability which, by applicable laws, cannot be excluded or limited.

15.8 This clause 15 shall survive termination of the Terms.

16. CLOSING OR SUSPENDING YOUR WALLET

16.1 You may close your Wallet at any time.

16.2 We may terminate your Wallet for any reason by providing you with 5 days' notice by post or email in accordance with clause 16. However, we may terminate your Wallet immediately, or place restrictions on your Wallet, if:

IFX Trading Terms and Conditions (Corporate)

16.2.1 you fail to pay any amount due to us under the Agreement when it is due;

16.2.2 you commit a material breach of any other term of the Agreement and (if such breach is remediable) fail to remedy that breach within a period of 30 days after being notified in writing to do so;

16.2.3 you repeatedly breach any of the Terms in such a manner as to reasonably justify the opinion that your conduct is inconsistent with you having the intention or ability to give effect to the Terms;

16.2.4 we suspect any fraudulent, unlawful, suspicious or other similar activity on your Wallet;

16.2.5 you suspend, or threaten to suspend, payment of your debts or are unable to pay your debts as they fall due or admit inability to pay your debts or (being a company or limited liability partnership) you are deemed unable to pay your debts within the meaning of section 123 of the Insolvency Act 1986 (IA 1986) as if the words "it is proved to the satisfaction of the court" did not appear in sections 123(1)(e) or 123(2) of the IA 1986 or (being a partnership) has any partner to whom any of the foregoing apply;

16.2.6 you commence negotiations with all or any class of your creditors with a view to rescheduling any of your debts, or you make a proposal for or enter into any compromise or arrangement with any of your creditors;

16.2.7 you apply to court for, or obtain, a moratorium under Part A1 of the IA 1986;

16.2.8 a petition is filed, a notice is given, a resolution is passed, or an order is made, for or in connection with your winding up (being a company, limited liability partnership or partnership);

16.2.9 an application is made to court, or an order is made, for the appointment of an administrator, or a notice of intention to appoint an administrator is given or an administrator is appointed, over you (being a company, partnership or limited liability partnership);

16.2.10 any event occurs, or proceeding is taken, with respect to you (being a company, partnership or limited liability partnership) in any jurisdiction, to which it is subject, that has an effect equivalent or similar to any of the events mentioned in clauses 16.2.5 to 16.2.9 or

16.2.11 we are required to do so for regulatory or legal reasons or on the instruction of any of our banking partners.

16.3 If you become aware of any event referred to in clause 16.2, you shall notify us immediately.

16.4 If we terminate your Wallet, we will try to notify you in advance. Where this is not possible, we will notify you immediately after. There may be instances where we cannot notify you at all for legal and regulatory reasons.

16.5 Notwithstanding any other provision of our Agreement, we may at any time, acting in our sole discretion (i) on reasonable grounds relating to a suspected unauthorised or fraudulent use of our Services; (ii) on reasonable grounds relating to a suspected breach of security; or (iii) or on the instruction of any of our banking partners; or (iv) to comply with applicable laws:

16.5.1 immediately suspend or stop your access to and use of our Services;

16.5.2 suspend, prohibit or delay the release of funds to you or any beneficiary;

16.5.3 suspend or prohibit a Payment Instruction; and/or

16.5.4 reject or return funds to any remitter.

16.6 Immediately before closing your Wallet, we will, subject to clause 16.5, settle all outstanding transactions on your Wallet, and deduct any applicable fees and charges due to us. We will return any amounts remaining in your Wallet to you as soon as reasonably possible. In such circumstances, you will provide us with details of an alternative bank account in the same name as stated on your Wallet without undue delay. If you owe us outstanding amounts, you shall pay these to us without delay. There may be instances where we cannot settle transactions on your Wallet or close positions, such as for legal or regulatory reasons.

Data Protection Legislation means: (i) any legislation in force concerning privacy and/or the processing of personal data, including the Data Protection Act 2018, the General Data Protection Regulation (EU) 2016/679 ("GDPR"), the Privacy and Electronic Communications Regulations 2003 (SI 2003/2426), and any laws or regulations implementing the Privacy and Electronic Communications Directive 2002/58/EC; (ii) any laws that replace, extend, re-enact, consolidate, or amend the aforementioned legislation, regardless of whether they become effective prior to or after the date of this Agreement. 18.5 In certain cases, as determined by a Supervisory Authority, (as defined under the GDPR), and/or a court of law, we may assume the role of a joint controller or a processor. When acting as a joint controller or a processor, the relevant provisions outlined in the Data Processing Addendum pertaining to joint controllers and processors will be applied.
