4.3. We may unilaterally amend the elements of the Agreement, as listed in Clauses 4.1.1 to 4.1.4. (for example, to reflect changes in law or to meet new regulatory requirements). In this case, you will be deemed to have accepted the changes, however, you do have the right to terminate your Agreement with us without charge at any time before the proposed date of entry into force of the amendments.

4.4. Where we seek to unilaterally amend the Terms, we shall notify you of the amendments no later than two months before the date on which they are to take effect. However, we may, with your express consent, amend the Terms with immediate effect.

5. OUR SERVICES

5.1. We provide foreign exchange, e-money and payment services to individuals through use of our online wallets (“Services”). We only buy and sell currency for trade, commercial or other non-speculative purposes. You must not use the Services for speculative trading purposes. We do not offer or provide advice or investment services of any nature.

5.2. Our Services allow you to (i) load funds onto an e-money account, which we shall provide to you and which is to be operated and used in accordance with these Terms, we call this a “Wallet”, (ii) make payments using such funds, and (iii) enter into Orders (as defined under clause 7).

5.3. Services rendered to Customers located outside of the United Kingdom are conducted on a cross-border basis. The Customer agrees that the characteristic performance of our Services is conducted in the United Kingdom. By agreeing to receive the Services, the Customer acknowledges and agrees that (i) they have not been targeted by IFX; and (ii) there has been no material prior marketing to the Customer, in any jurisdiction where IFX is not locally licensed to do so; and (iii) the Customer approached IFX for its Services on their own initiative.

6. ELIGIBILITY AND APPLYING TO USE OUR SERVICES

6.1. Your application to use the Services constitutes an offer to IFX. We will confirm our acceptance of your application by sending an email to you informing you of your status as a client of IFX, at which point these Terms will form a legally binding contract between you and IFX. By agreeing to these Terms, you confirm that you are 18 years old or above.

6.2. You must only operate your Wallet in your own name and not on behalf of any other person that you have not disclosed to us. You may specify other authorised persons to operate your Wallet. We call such persons “Users”, and we call the permissions of those Users to operate your Wallet “User Permissions”. You must ensure all Users comply with the obligations and requirements in our Agreement.

6.3. You may request changes to Users and User Permissions by submitting a written request to us via email, and we may, act on such instructions. In doing so, we:

6.3.1. reserve the right to verify the identity and authority of the Customer before implementing any requested changes to the Users or User Permissions; and

6.3.2. may request additional evidence, documentation or justification from the Customer to support or validate any requested changes to the Users or User Permissions.

6.4. You can apply to use our Services by completing the application form on our website.

6.5. Once we have received your completed application form, we will undertake various checks to ensure you are eligible for our Services, and to comply with our legal obligations. We may have to ask you for additional information or documents.

6.6. You must provide us with true, complete and accurate information. You must also update us with any changes to such information promptly. We will rely on the information you provide to us.

6.7. We will let you know once we have accepted your application and opened a Wallet for you. We may refuse to accept your application without giving you any explanation.

6.8. Individual clients (i.e. natural persons) may open a Wallet under joint names. If you wish to add another person to your Wallet, that person must agree and sign up to these Terms in accordance with the process indicated by us, at which point these Terms will form a new legally binding contract between IFX and that person. In this case, the Terms apply to you both. We will accept instructions from either one of you, without authority from the other. If one of you tells us there is a dispute between you, we may suspend further transactions on your Wallet. We would need authority (in the form we

IFX Trading Terms and Conditions (Retail)

request) from both of you to close your Wallet in this instance. If one of you dies, your Wallet will continue in the sole name of the surviving Wallet holder and any e-money we hold in your Wallet will be owned by them.

6.9. You must keep your email account(s) and other online accounts secure as we will act on instructions we reasonably believe to be from you, or any User. You must use up-to-date anti-virus software and ensure any information you send to us is free from viruses. You must not introduce viruses to our Platforms or other systems.

7. VALUE DATES AND FOREIGN EXCHANGE ORDERS

7.1. When you wish to effect a currency exchange, we call this an "Order". We will agree the date on which you wish us to transfer the relevant funds and process the Order. We call this the "Value Date". You can place an Order with us via telephone, and from time to time we may permit you to submit Orders via e-mail or any other electronic means. We have no obligation to accept such Orders.

7.2. When you place an Order, it will be:

7.2.1. a "Spot Contract" when the Value Date is two Working Days or less; or

7.2.2. a "Forward Contract" when the Value Date is two Working Days or more and the trade is to facilitate the purchase of identifiable goods or services.

7.3. You can also specify a "Market Order", which is an instruction to execute your Order when a desired exchange rate is achieved.

7.4. If you place an Order for a Forward Contract, you accept that, in addition to clauses 7.5–7.15 of this Agreement, we may apply certain Credit Terms to your Order as agreed with you.

7.5. If you place an Order for a Forward Contract, we may require you to pay a deposit ("Margin") to us in cleared funds as a condition of us accepting your Order. We may also require you to increase the Margin after the Order (a "Margin Call"), during the term of the Forward Contract.

7.6. From time to time, we may offer you a 0% Margin on Forward Contracts, which will constitute a line of credit. We reserve the right to cancel or rescind this line of credit at any time, and at our sole discretion. In the event we make a Margin Call on a Forward Contract with a 0% Margin, this line of credit is immediately rescinded and the entire Margin and Margin Call shall become due and payable in accordance with clause 7.7 below. Any credit offered to you under the Credit Terms is at all times subject to your compliance with your obligations under these Terms.

7.7. You shall pay such Margin or Margin Call in cleared funds to our bank account within 24 hours of us requesting the Margin or Margin Call. If you do not meet our Margin or Margin Call requirements, we may terminate the Order on notice to you.

7.8. You also agree to reimburse us the reasonable costs we incur (subject to our general duty to mitigate our losses) as a result of you failing to pay the Margin or Margin Call and us terminating your Order.

7.9. Any Margin or Margin Call paid by you shall be for the purpose of securing or covering all your present or future, actual or contingent, or prospective, obligations to us under our Agreement. We will acquire full ownership of Margins and Margin Calls and shall hold them for the purposes of the Order.

7.10. Margin or Margin Call held by us is not e-money and is not safeguarded. In the event of our insolvency, you will rank as a general creditor of ours in relation to such Margin or Margin Call paid to us.

7.11. If you place an Order to exchange a currency deemed by us as a thinly traded or highly illiquid currency ("Exotic Currency"):

7.11.1. for an amount equal to or in excess of £500,000 (or currency equivalent), we may require you to transfer the relevant settlement funds to us before the Order can be executed; or

7.11.2. for an amount less than £500,000 (or currency equivalent), we may require you to transfer the relevant settlement funds to your Wallet before the Order can be executed.

7.12. We will advise you of the settlement requirements to exchange any such Exotic Currency before you place the Order.

7.13. Notwithstanding clause 10.6, where settlement funds are transferred to us for an Order to exchange Exotic Currencies in accordance with clause 7.11.1, full ownership and title to these funds will transfer to us and they will be considered our funds rather than e-money. Once the exchange Order is executed, we will credit the exchanged currency to your Wallet, at which point the funds will be considered e-money and will be subject to safeguarding until we are instructed by you to process an onward payment.

7.14. The outstanding settlement of an Order must be paid on or before the Value Date. It is your responsibility to ensure that the settlement funds are paid in cleared funds within this time. If you fail to settle an Order within this time, the Order may be cancelled on notice to you and you agree to reimburse us for any costs we reasonably incur in connection with such cancellation. In the event that you fail to satisfy your obligations under this clause 7, and/or we cancel the Order, you will not be entitled to any benefit arising out of or in connection with the Order.

7.15. Our exchange rates are based on foreign exchange markets which can change at any time. As such, exchange rates may vary immediately without notice. We do not have any obligation to notify you of any such changes.

8. PAYMENT INSTRUCTIONS

8.1. When you instruct us to make a payment, we call this a "Payment Instruction".

8.2. You can provide Payment Instructions by telephone or email.

8.3. When placing a Payment Instruction, we will use reasonable efforts to verify your identity based on the information we hold about you. When you telephone or email us, we will need to identify you as a User of the Wallet. We may ask you various questions or perform various checks to confirm your identity. We will accept Payment Instructions from any person we reasonably believe to be authorised to give such instructions, or who has the User Permissions to do so.

8.4. You will need to provide us with the relevant account numbers and other information in connection with the beneficiary you wish to transfer funds to. You are responsible for providing us with correct beneficiary details. We will rely on the beneficiary details you provide. Subject to the requirements on the authorisation of payment transactions and co-related refunds that are set out in Clause 13 of the Agreement, we will not be responsible for any errors that you make in any Payment Instruction, and you agree to reimburse us the reasonable costs we incur (subject to our general duty to mitigate our losses) as a result of any errors.

8.5. We will have to satisfy our internal identity checks before sending money to a new or different beneficiary. We will take reasonable steps to ensure the intended beneficiary has been authorised by you and approved by us.

8.6. If you fail to provide, within ten (10) Working Days of a request to do so, any documents or other information we require from you to satisfy our checks, we may elect to cancel the relevant Payment Instruction on notice to you. Save as set out in clause 14, we shall have no liability to you in the event we cancel a Payment Instruction in accordance with this clause.

9. ERRORS, VARIATIONS AND CANCELLATIONS

9.1. Once IFX has received an Order or Payment Instruction, you cannot cancel or vary it without IFX's express agreement. You must contact us immediately if you wish to cancel or vary an Order or Payment Instruction. We will try to withdraw or change your Order or Payment Instruction where this is reasonably practicable, but we cannot guarantee this. If we consent to such variation or cancellation, there may be a cost due to changes in exchange rates and we may charge this cost to you. This cost will correspond to the reasonable costs we incur in taking the necessary corrective action. We will let you know what this cost will be in advance where this is possible.

9.2. We may refuse to accept or stop an Order or Payment Instruction, or take any other action we reasonably deem necessary to protect you or us, including, but not limited, where:

9.2.1. we suspect there is unauthorised, prohibited or irregular activity on or connected with your Wallet;

9.2.2. we believe there may be a manifest error with all or part of an Order or Payment Instruction;

9.2.3. you fail to provide us with the settlement funds in time to process your Order or Payment Instruction;

9.2.4. you fail to satisfy our compliance requests, including providing necessary documents, evidence or justifications as we may require;

9.2.5. we suspect that the Order or Payment Instruction may involve illegal activity (including APP Scams, as defined in clause 13.7) or violate applicable laws or regulations; or

9.2.6. we are required to do so by law, a law enforcement agency or regulatory authority.

9.3. We will attempt to notify you by phone or email before taking such action and provide you with our reasons for doing so. There may be occasions where we cannot notify you or give you reasons for us taking such action. This might be because it would be a breach of our legal obligations, or if we thought it would compromise reasonable security measures.

IFX Trading Terms and Conditions (Retail)

10. SETTLEMENTS, FEES, CHARGES AND SAFEGUARDING

10.1. Fees and charges, as applicable from time to time, will be agreed between you and IFX.

10.2. We may allow you to transfer settlement funds to us using bank transfers, credit or debit cards. The methods we may offer from time to time for transferring settlement funds to us are not part of our Services. Instead they are provided by third parties and may change or be withdrawn at any time.

10.3. You must pay any amount due to us in unencumbered and cleared funds. If you fail to make payment in the time stipulated to do so, this will constitute a material breach of these Terms for the purposes of clause 15.2.2.

10.4. Please inform us if a third party will be sending money to us on your behalf. Any funds we receive will be credited to your Wallet as soon as reasonably practicable, after we have satisfied ourselves as to the sender's identity and complied with our legal obligations. We are not responsible for any delays in crediting your Wallet due to the late arrival of (i) funds or (ii) payment instructions from a remitting bank (or any of its intermediary banks in the payment chain).

10.5. As an Electronic Money Institution ("EMI"), we are required to ensure that 'relevant funds' are appropriately 'safeguarded' in accordance with the provisions of the EMRs and Payment Services Regulations 2017 ("PSRs") (together, the "Regulations"). There are different ways in which this can be achieved. Currently we use the 'segregation method' which means that, in accordance with the Regulations, relevant funds received by us corresponding to e-money are held in one or more segregated bank accounts separately from our own funds, or are invested in secure, liquid assets that have been approved by the FCA. Further details can be found at www.ifxpayments.com/safeguarding/. It is important to note that as an EMI, we're not covered by the Financial Services Compensation Scheme.

10.6. Save as set out in clause 7.13, all settlement funds (including fees due to us) are considered relevant funds for the purposes of the Regulations until they become payable. The fees due to us become payable either (i) once the Payment Instruction has been debited; or (ii) if there is no Payment Instruction, once the purchased currency in an Order is issued to you.

10.7. We are regulated as an EMI and not a bank. Therefore, we are not able to pay interest on any funds held by us.

10.8. If you fail to make a payment due to us under the Terms by the due date, then, without limiting our remedies under this clause 10 and clause 15, you shall pay interest on the overdue sum from the due date until payment of the overdue sum, whether before or after judgment. Interest under this clause 10.8 will accrue each day at 4% a year above the Bank of England's base rate from time to time, but at 4% a year for any period when that base rate is below 0%.

10.9. We may deduct from any balance in your Wallet such amounts that you owe to us under the Terms or pursuant to applicable laws or the Regulations. We may convert any liabilities you owe to us in a different currency at an exchange rate which we determine to be reasonable. Any exercise of this right of set-off is without prejudice to any other rights and remedies which we may have.

10.10. Certain payment instruments that you may use to transfer settlement funds to us offer you the ability to dispute a transaction with your card issuer, for example. These are known as chargebacks.

10.11. You agree that you will only exercise your right to chargeback if there has been an unauthorised or fraudulent transaction on your Wallet. You agree not to exercise your right to chargeback for any other reason.

10.12. If we need to investigate a chargeback that you have raised with your card issuer, we may charge you our reasonable costs and expenses for doing so and may deduct any such amount from your Wallet.

10.13. Transfers between Wallets, or "Wallet to Wallet" transfers, typically attract lower fees than other transfer types. To obtain detailed information regarding these fees, you should consult with your designated account executive.

11. EXECUTION TIMES AND DELIVERY

11.1. Save as set out in clause 11.2, if you place a Payment Instruction for same day processing, we must receive your cleared settlement funds before 14.00 on a Working Day. If we receive your settlement funds after 14.00 or on a day which is not a Working Day, we will process your Payment Instruction on the next Working Day.

11.2. We will use reasonable endeavours to credit the funds to the beneficiary's account:

11.2.1. by the end of the next Working Day, if your Payment Instruction is in euro or sterling;

11.2.2. by the end of the fourth Working Day, if your Payment Instruction involves a currency other than euro or sterling but is executed wholly within the European Economic Area; and

11.2.3. as soon as possible in any other case.

11.3. Save as set out in clause 14, IFX shall have no liability to you for any delay in onward payment attributable to the late arrival of funds or Payment Instructions to the beneficiary bank (or any intermediary banks in the payment chain) unless such delay is caused by a material breach by IFX of clause 11.2 and is within IFX's control. For the avoidance of doubt, this shall include (without limitation) where the beneficiary bank (or any intermediary banks in the payment chain) raises compliance queries to satisfy its obligations under applicable laws and such queries result in a delay in the arrival of funds or Payment Instructions.

12. SECURITY AND PLATFORMS

12.1. We cannot guarantee that our Platforms will be available at all times because there may be occasions where we need to suspend access to our Platforms for technical reasons, emergencies or regulatory reasons, or for periods of maintenance or updates. We will not be responsible if our Platforms are unavailable to you for any reason.

12.2. We will use reasonable endeavours to ensure that the information provided on our Platforms is accurate and up-to-date. In the event that you identify any mistakes, errors, or inaccuracies, you must promptly notify us in writing, providing all relevant details and supporting evidence. You understand and agree that failure to promptly notify us of any identified mistakes, errors, or inaccuracies may impact our ability to address and rectify the situation effectively.

12.3. With respect to the Platforms, IFX will provide a two-factor authentication security system in accordance with the Strong Customer Authentication requirements for the authentication of Payment Instructions as well as the withdrawal of Customer consent. For the purposes of this clause, "Strong Customer Authentication" means the requirement described under Regulation 100 of the PSRs and applies to all types of UK payment service providers, including IFX. The rules on Strong Customer Authentication are set out in the PSRs and the corresponding technical standards issued by the FCA. Strong Customer Authentication requires authentication based on the use of two or more elements that are independent, in that the breach of one element does not compromise the reliability of any other element, and are designed in such a way as to protect the confidentiality of the authentication data, with the elements falling into two or more of the following categories— (i) something known only by the payment service user ("knowledge"); (ii) something held only by the payment service user ("possession"); (iii) something inherent to the payment service user ("inherence").

13. AUTHORISATION OF PAYMENT INSTRUCTIONS AND AUTHORISED PUSH PAYMENT SCAMS

13.1. A Payment Instruction will be regarded by IFX as having been authorised by you only where you have given your consent to: (i) the execution of the Payment Instruction; or (ii) the execution of a series of Payment Instructions of which that Payment Instruction forms part.

13.2. We shall:

13.2.1. be able to prove that every transaction was authenticated, accurately recorded, entered in IFX's accounts and not affected by a technical breakdown or some other deficiency in the service provided; and

13.2.2. be able to produce supporting evidence in order to establish that a transaction was authorised by you.

13.3. In case of non-execution or defective or late execution of a transaction or in case of incorrect transmission of a transaction due to IFX's fault, we shall, save as set out in clause 13.6, on your request, immediately and without charge make efforts to trace any non-executed or defectively executed Payment Instruction and notify you of the outcome.

13.4. In case of incorrect transmission of a transaction due to IFX's fault, we shall immediately re-transmit the Payment Instruction in question in accordance with applicable law.

13.5. As you are a consumer:

13.5.1. we will be responsible to you in the event our error or negligence causes a Payment Instruction to be made to the wrong recipient or in an incorrect amount, in which case we will restore your Wallet to the position it would have been had the error not been made. Any refund will be made before the end of the Working Day following the day on which IFX becomes aware of the unauthorised transaction.

13.5.2. we will not be responsible to you for any unauthorised Payment Instruction on your Wallet where:

IFX Trading Terms and Conditions (Retail)

- (a) you have acted fraudulently (including in respect of APP Scams, as defined in clause 13.7); or
- (b) you have intentionally or with gross negligence failed to keep your Wallet secure in accordance with clause 12; and

13.5.3 in the event of an incorrectly executed payment transaction or an unauthorised transaction, you must notify us without undue delay, and in any event within 13 months of the debit date, on becoming aware of any unauthorised or incorrectly executed payment transaction otherwise you will lose your right to a redress for those transactions.

13.6. Where an executed Payment Instruction was not authorised with your consent pursuant to clause 13.1, subject always to your obligations (including but not limited to those detailed in clause 13.5), we shall refund the amount of the unauthorised transaction to you and where applicable, restore the debited Wallet to the state it would have been in had the unauthorised Payment Instruction not taken place, ensuring that the credit value date is no later than the date on which the amount of the unauthorised Payment Instruction was debited.

13.7. From 7 October 2024, if you have been the victim of an authorised push payment scam ("APP Scam") through a payment initiated by you from your Wallet to a third party, you may be able to submit a reimbursement claim to IFX ("APP Scam Claim"). Please refer to www.ifxpayments.com/app-scams for information regarding eligibility criteria, circumstances when a claim may not be approved and how to submit an APP Scam Claim to IFX.

14. OUR LIABILITY

14.1. Nothing in these Terms excludes or limits our liability for:

- 14.1.1. death or personal injury caused by negligence
- 14.1.2. fraud or fraudulent misrepresentation; or
- 14.1.3. any matter in respect of which it would be unlawful for us to exclude or restrict our liability.

14.2. If we fail to comply with these Terms, we are responsible for loss or damage you suffer that is a foreseeable result of our breach of these Terms or our negligence, but we are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if it was an obvious consequence of our breach or if it was contemplated by you and us at the time that the Terms between you and us became binding.

14.3. Nothing in these Terms affects your statutory rights. Advice about your statutory rights is available from your local Citizens' Advice Bureau or Trading Standards Office.

14.4. IFX only supply the Services for domestic and private use. You agree not to use the Services for any commercial or business purposes and IFX have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity.

14.5. The Customer shall be solely liable for any loss or damage incurred by IFX where the Customer is the beneficiary of an APP Scam payment.

15. CLOSING OR SUSPENDING YOUR WALLET

15.1. You may terminate your Wallet at any time.

15.2. We may terminate your Wallet for any reason by providing you with 60 days' notice by post or email in accordance with clause 16. However, we may terminate your Wallet immediately, or place restrictions on your Wallet, if:

- 15.2.1. you fail to pay any amount due to us under the Terms when it is due;
- 15.2.2. you commit a material breach of any other term of the Terms and (if such breach is remediable) fail to remedy that breach within a period of 30 days after being notified in writing to do so;
- 15.2.3. you repeatedly breach any of the Terms in such a manner as to reasonably justify the opinion that your conduct is inconsistent with you having the intention or ability to give effect to the Terms;
- 15.2.4. we reasonably suspect any fraudulent, unlawful, suspicious or other similar activity on your Wallet;
- 15.2.5. you suspend, or threaten to suspend, payment of your debts or are deemed either unable to pay your debts or are deemed as having no reasonable prospect of so doing, in either case, within the meaning of section 268 of the Insolvency Act 1986;

15.2.6. you are the subject of a bankruptcy petition, application or order;

15.2.7. any event occurs, or proceeding is taken, with respect to you in any jurisdiction to which it is subject that has an effect equivalent or similar to any of the events mentioned in clauses 15.2.5 to 15.2.6; or

15.2.8. we are required to do so for regulatory or legal reasons.

15.3. If you become aware of any event referred to in clause 15.2, you shall notify us immediately.

15.4. If we terminate your Wallet, we will try to notify you in advance. Where this is not possible, we will notify you immediately after. There may be instances where we cannot notify you at all for legal and regulatory reasons.

15.5. Notwithstanding any other provision of our Agreement, we may at any time (i) on reasonable grounds relating to a suspected unauthorised or fraudulent use of our Services; or (ii) on reasonable grounds relating to a suspected breach of security; or (iii) or on the instruction of any of its banking partners; or (iv) to comply with applicable laws:

- 15.5.1. immediately suspend or stop your access to and use of our Services;
- 15.5.2. suspend, prohibit or delay the release of funds to you or any beneficiary;
- 15.5.3. suspend or prohibit a Payment Instruction; and/or
- 15.5.4. reject or return funds to any remitter.

15.6. Immediately before closing your Wallet, we will, subject to clause 15.5, settle all outstanding transactions on your Wallet, and deduct any applicable fees and charges due to us. We will return any amounts remaining in your Wallet to you as soon as reasonably possible. In such circumstances, you will provide us with details of an alternative bank account in the same name as stated on your Wallet without undue delay. If you owe us outstanding amounts, you shall pay these to us without delay. There may be instances where we cannot settle transactions on your Wallet or close positions, such as for legal or regulatory reasons.

15.7. If your Wallet is terminated for any reason and we are not at fault or otherwise in breach of these Terms, we may cancel any open Orders without notice to you and you agree to reimburse us the reasonable costs we incur (subject to our general duty to mitigate our losses) as a result.

15.8. Once we have closed your Wallet, we may continue to hold data about you and your Wallet in accordance with our Privacy Policy and for legal or regulatory reasons.
